Member of:	Packhouse Team (FTC) March to September. Possible full-time contract after FTC.
Hours:	06:00 – 19:00, three days on, three days off
Salary:	Highly competitive rate
Benefits:	260 hours annualised holiday hours
Location of the role:	Chichester area

The Company:

Tangmere Airfield Nurseries Ltd is a leading grower and direct supplier to the major UK supermarkets, based near the market town of Chichester in West Sussex, with further large areas of glass in Spain.

Purpose of the Role:

We seek motivated production operatives, ensuring the efficient fulfilment of daily customer orders while meeting specifications. The ideal candidate will have previous experience in a similar role, with expertise in fresh produce, food production, or an FMCG environment. We are looking for the right person, so it is advantageous to have experience, but don't be put off if you don't. We put more emphasis on attitude and transferable skills.

Key Responsibilities

What you'll be doing:

1. Pack bell peppers on various production lines under the direction of team leaders/supervisors.
2. Monitor the product quality - the defective products should be removed from the line.
3. Ensure that the product we pack for our customers is packed correctly and of the expected quality.
4. To work within the company's Food and Hygiene Regulations
5. Fully participate in the development and achievement of the Packhouse Vision.

**About You
Requirements:**

- Experience in a similar role within Fresh Produce/Food Production/FMCG environment is desirable.
- Outstanding proficiency in verbal communication in English, Polish, or Russian.
- Ability to work under pressure, meet deadlines, and maintain a positive attitude.
- Ability to work independently and complete assignments within prescribed routines and standard accepted practices.
- Flexible approach to work and experience with packing machinery would be an advantage.
- Approachable individual with a can-do attitude, actively encouraging subordinates to contribute to the team's success.
